- **Reminder, Jewish holidays start the sundown prior to the dates listed and end at sundown on the designated dates, these appear in parenthesis. (B= Begins; E= Ends)**

Religious Holidays 2018-2022

- The most accurate and respected calendar is the Interfaith Calendar, found at www.interfaithcalendar.org. This has been consulted and will be updated with changes throughout the year.
- The Islamic holidays are those that are lunar dependent. We will have to check online at moon sightings to see when/if the dates are moved.
