## Valuable Notes for Dickinson Student Groups & Clubs

Provided by the Office of Student Leadership & Campus Engagement

### Career Center

The newly created Center for Advising, Internships & Lifelong Career Development is interested in partnering with your club (or exec boards) to help members identify and articulate professional (and marketable!) skills developed by participation in your organization. If you'd be interested in scheduling a session with a member of our staff for your organization, please contact Tara Fischer at [fischert@dickinson.edu](mailto:fischert@dickinson.edu)

### Climbing Wall

Do you have a group of students, faculty, and/or staff that would benefit from an interactive team building experience? Consider moving a department or club meeting to the rock wall. We offer programs that will facilitate group development in an experiential and fun environment. Please contact [ryansea@dickinson.edu](mailto:ryansea@dickinson.edu) if you are interested in this opportunity, and we will connect with you to tailor a program to meet your needs.

### Leadership Awards Nominations

Do you know a student leader, student group, faculty member, or staff member who you think should be recognized for their work at Dickinson? Nominations for the annual Leadership Recognition Ceremony on April 29th are now live! The nomination form is available on SLCE's EngageD, linked below.

Due by 8:30 am on Monday, April 15th.

### Activities Fair

will be held on  
**Monday, January 28th**  
from 7-9 pm in the Social  
Hall.

### Budget & Election Info

Club election and budget season is fast approaching. To ensure a smoother officer transition, current and new club officers are asked to work on the budget proposal together. That means that club elections must happen before budgets can be due. Club elections are due by February 8. To meet that deadline, re-register your group on EngageD with the new officers so that they will have access to submit the budget proposal, which is due February 22. The budget proposal for a club will not be reviewed until that club has been re-registered.

**Club Elections Due by Feb. 8**

**Club Budgets Due by Feb 22**

## Tracking Attendance

If you are interested in taking attendance at one of your events, you should use the new Check-In mobile app which ties into EngageD and can be used to easily scan any Dickinson student, faculty, or staff member's event pass or look them up by name.

Many of you have swiped your Dickinson ID at MOB events over the last two years to enjoy mac and cheese or get a Springfest shirt; this will replace that process. Having event attendance data can be used to demonstrate the impact that all of Dickinson's student groups have on our community.

Using the Check-In app is very easy and instructions can be found in the Corq folder on SLCE's EngageD page.

## Membership Rosters

**While student groups don't currently need to submit club membership rosters except during the Student Senate club recognition process, it is a good practice to update your membership on EngageD.**

**Doing so will ensure that your club members are able to see all of the content that you want them to see when they log into EngageD!**
