**REFLECTIVE ESSAY:**

Write an essay of approximately 500 to 750 words in response to the following prompt:

Describe a time when you designed, evaluated, proposed, implemented and/or participated in a solution or response to a challenge or opportunity in which you aspired to advance sustainability goals.

Before writing your essay, review the selection criteria for the Baird Sustainability Fellows program. Your essay should communicate your interpretation of sustainability, make evident the knowledge and skills you applied and/or developed in addressing the challenge or opportunity, describe the role you played and identify any lessons learned that would inform how you might approach similar challenges or opportunities in the future.
