

### OVERVIEW:

The following policy provides parking information and guidance for students, employees, retirees, alumni and campus visitors. The policy provides information for registering vehicles and obtaining a parking decal. The goal of the policy is to provide an organized, safe and fair method of managing parking and parking lots on campus.

### STUDENTS:

- All students who wish to park in student designated parking lots during weekday hours (7am-5pm) are required to purchase a parking decal for \$60 per year, or \$30 per semester.
  - Students can park in any lot after these hours, on weekends, and between semesters (Winter Break and Summer).
  - [First Year Students](#) must receive permission to have a car on campus. More information on this is found on the parking webpage.
- A parking decal provides access to campus parking lots but does not guarantee a parking spot. If students wish to park curbside on the street, no parking decal is required.
- The fine for parking in a campus parking lot without a parking decal is \$75 for the first occurrence, and \$100 for subsequent occurrences.
- Students who wish to park in a campus parking lot are required to fill out the parking registration form, pay a parking fee, and obtain a parking permit in the form of a decal.
  - Registration decals must be placed in the upper passenger-side portion of your windshield in a location that does not impede or impair any views.
  - Registration decals must be renewed at least every year.
  - Vehicle license plate, make and model, for all decals will be required during registration.
- Lost parking decals can be replaced for \$60.00 for an annual permit, or \$30 for a semester permit.
  - Parking decals will be replaced for no additional cost in the event that the decal is stolen and a police report filed.
- Student parking decals are purchased via direct billing from student accounts. Billing will be initiated after filling out the on-line registration form accessed from the Dickinson College parking webpage.
- Student registration will commence on August 1<sup>st</sup> each year for the fall semester, and January 1 for the spring semester. Decals can be picked up from Public Safety any time after registration, with a Student ID.
