Parking over Winter Break

Policy/Procedure

All cars left on campus during Winter Break must be parked in the Facilities Management lot on North Orange Street in the second area marked “Snow Parking.” This area is located within the gates on the east end of the lot. After a snowstorm, the parking lots need to be plowed. Vehicles left in the lots over break can be difficult to see in larger snow storms and might be damaged. Cars parked in lots also slow down the plowing process. In the event of a storm, cars not moved to the designated lot may be towed at the owner’s expense.
