Penalties for Violations of Regulations

Policy/Procedure

Failure to observe traffic regulations will result in the imposition of penalties as follows:

1. Failure to register the vehicle or display the registration decal on the left rear bumper of the vehicle will result in a $25 fine.
2. Handicapped, no parking, service vehicle, visitor parking, and shipping and receiving areas are tow zones. In addition to the towing charge, a $25 fine will be imposed. A second towing offense will result in a towing charge, a $25 fine and loss of all parking privileges on the campus.
3. All other parking offenses will be assessed a $10 fine for the first offense. All subsequent parking citations will result in $25 fines, without regard to the violation. A fourth offense in an academic year may result in the loss of parking privileges on campus.
4. All fines must be paid to the Department of Public Safety in person or by mail within 24 hours.

Penalties for violations committed with a vehicle will be charged against the registration of the vehicle unless another person is clearly identified as the operator of the vehicle at the time of the violation.

Penalties assessed will, unless paid to the Department as above, be charged to the individual’s account with the College and treated on the same basis as any other amount owed to the College.
