Registration of Motor Vehicles

Policy/Procedure

All members of the Dickinson College faculty, administration and staff and upper-class students who are currently enrolled in Dickinson College classes are authorized to use motor vehicles on the Dickinson College campus, in Carlisle, or in the immediate vicinity of Carlisle.

All members of the faculty, administration, staff and students must register their vehicles with the Department of Public Safety. Persons planning to use more than one motor vehicle must register each vehicle separately.

Students should register their vehicles during the first two weeks of the Fall semester each year. However, a vehicle should be registered immediately upon its being brought to Carlisle, even though this may be during a semester, summer term or during a College holiday.

There is no charge for Dickinson vehicle registration. All persons associated with Dickinson College who expect to park a motor vehicle on campus at any time should acquire a Dickinson parking permit. It should be understood that this does not guarantee the registrant in any particular parking lot.
