

Entry and Search of Student Living Quarters

Policy/Procedure

The College reserves the right to enter any room at any time without advance notice for the purposes of inspection, repair, maintenance, protecting the health, safety, and security of residents and in cases of emergency, as determined by the College. Entry may be made by members of the Student Development staff, including members of the Department of Public Safety.

Routine health and safety inspections of residential spaces will be announced at least one day in advance of the inspection. During any such inspection of residential spaces, any evidence of violations of the Community's Standards may be confiscated and processed accordingly.
