## PROCEDURE

1. You may attend a summer or a winter session at another institution in the United States or abroad, provided that:
  - a. You are in good academic standing i.e., have a 2.00 gpa or better, and
  - b. The other institution is accredited and has been approved by Dickinson College (check with the Registrar's Office).
2. In order to assure credit transfer **you must secure prior approval of courses.**

3. To secure approval, complete the attached **Enrollment in Another Institution** form:

## TRANSFER CREDIT

1. As soon as the summer session or January term is over, it is **your responsibility** to see that the institution you attended sends an **official transcript** of your academic work to the Registrar's Office at Dickinson College.

***NOTE:*** If you have an official transcript sent directly to you to submit to the Dickinson College Registrar's Office, please **do not open** the envelope. Dickinson College cannot accept transcripts that have been opened.

2. You will receive only transfer credit, i.e., grades earned at another institution will not count in your cumulative grade point average. (Exception: Courses taken at a Central Pennsylvania Consortium College during a fall/spring semester.)

***NOTE:*** Courses **may not** be taken pass/fail unless it can be documented that pass is equivalent to a grade of "C" or better.

## AMOUNT OF CREDIT

1. You may receive up to a total of four (4) transfer credits for summer and/or January study at other approved institutions. (You may take courses during one or more summer and January sessions as long as the total number of transfer credits do not exceed four (4) courses).
2. If you wish to receive more than four (4) transfer course credits for summer and January study at other approved institutions, you must obtain **prior approval** from the College. Please contact the Registrar's Office for details on how to obtain this approval.

***PLEASE NOTE:*** The **maximum** number of courses that can be transferred to Dickinson College is 16. College regulations require a student to complete at least 16 courses on campus, including 6 of the last 8, **or** the last 4.
