

**Residence Life & Housing**  
**Room Selection Process – spring 2014**  
**Television, Phone, and Data in Select Small Houses & Apartments**

Near all student residences are served by the College television, phone, and data networks. However, there are some small houses and apartments that are not served by these networks.

The following addresses have television and internet service provided by Comcast:

- 146 West Louther Street
- 150 West Louther Street
- 152 West Louther Street
- 154 West Louther Street
- 156 West Louther Street
- 2 Conway Street
- 24 Parker Street
- 26 Parker Street
- 362 West North Street
- 380 West North Street
- 538 West Louther Street

Wired internet connections are available in these addresses. Students in these addresses are able to set up their own wireless internet, but must supply their own router and other installation equipment. Wireless routers can be found at any computer or office supply store for about \$20.
