

**Residence Life & Housing
Roommate Finder Form**

We offer a way for those who do not yet have a roommate in mind to find someone with whom they could live well. In order to facilitate the process of choosing a roommate, please answer the questions below as honestly as possible. Once you understand your preferences, you will be able to look for a roommate who has similar preferences/living habits. Additionally, the Office is hosting a **Need a Roommate Mixer on Friday, April 18th at Noon in HUB SR 201**. This mixer is a great opportunity to meet other students looking for a roommate and try to get to know some different people
