Assignment – Generating Bibliographies with RefWorks

Librarian:_____   Due Date: _____

Professor:_____

In your RefWorks account, import 4 more references:

- 1 should be from WorldCat.
- 1 should be from Proquest.
- 1 should be from an OCLC database that is applicable to the class.
- 1 should be from other databases that are applicable to the class.

Generate a bibliography for these in _____ style, and rename the document with your last name. Email the bibliography to the instructor.

Feedback:
Are there any points from this lesson that are still unclear?

What did you learn from this lesson?
