

Module 1 Assignment – Finding Books

Librarian: _____

Due Date: _____

Professor: _____

Please perform ALL of the tasks on this list. For this assignment, you may not work in groups or share answers.

- ☐ Go to the library's Circulation Desk and check out the book you found during class. Be sure to return it to the library on or before the date it is due.
- ☐ Look up *TWO* additional books in the library catalog.

For EACH book you find (total of 3), do the following:

- ☐ Photocopy the title page of each book.
(Note: You must have money in your declining balance account to use the photocopiers in the library. Ask at the circulation desk for assistance.)
- ☐ Provide a citation in the correct [Chicago] format.
For more information about how to cite properly, see your librarian, consult the [*Chicago Manual of Style*] (several copies are available in the library/call number), or visit the library's website:
<http://lis.dickinson.edu/Library/Research/CitingRes/index.htm>
- ☐ Below each citation, answer the following questions. Questions should be answered in complete sentences.
 - Who is the author of the book and what are his/her credentials and expertise in this area of study?
 - What is the thesis statement of the book/What research question is the author trying to answer? What main points does the author address?
(Suggestion: read the book's introduction and conclusion.)
 - How could this book support a research paper for this class?
- ☐ Submit *at least* one question or area of trouble you encountered while completing this project.
