

# Focus on your benefits

We're all about you.

## Stay Connected to Your Benefits Anytime. Anywhere.

Now you can view personal health information and send it to anyone you choose using your smartphone. With Coventry Mobile, a new app from Coventry Health Care, you can display your member ID card and view your health record from My Online Services<sup>SM</sup> at your doctor's office or anywhere you need to. You can also email or fax it to the doctor, pharmacy, or anywhere else. The app includes access to:

- ID card
- Current medication
- Allergies
- Immunizations
- Emergency contact information

Additional features are planned for later this year.

Registered My Online Services<sup>SM</sup> users can get Coventry Mobile by entering **m.cvty.com** into their smartphones' Web browsers or by downloading the app from the App Store. Coventry Mobile is compatible with Android<sup>TM</sup> smartphones, BlackBerry<sup>®</sup>, iPhone and iPod touch.

Register for My Online Services<sup>SM</sup> from the login screen of Coventry Mobile by pressing **"Not Registered?"** or register on your computer by going to **<http://member.cvty.com>**.
