Tuition Payment Methods

Policy/Procedure

The Dickinson College (the “College”) Cashier’s Office accepts personal checks, cashier’s checks, money orders, cash and wire transfers. Students are asked to mail the return portion of the billing statement with payment to ensure proper posting to the student account. Requests for wire transfer instructions are e-mailed to stuaccts@dickinson.edu and must include the student’s name and College ID number.

Credit card and ACH payments may be made online through Official Payments, subject to applicable fees. Official Payments accepts American Express, Discover, MasterCard and Visa payments.

Tuition Payment Plans

The College offers the following three tuition payment plans:

a) TMS Monthly Payment Option – TMS sponsors an interest-free monthly payment plan. Families are directed to the TMS website to set up a payment plan, which ranges from April through March of each school year.

b) Tuition Prepayment Plan – The College also offers a prepayment plan for a minimum period of two years. A student may prepay tuition charges at the prevailing rate for the following semester multiplied by the number of semesters to be prepaid (minimum of 4, maximum of 8). This plan guarantees savings by protecting a student from future increases in the price of tuition. The Tuition Prepayment Plan covers tuition only – room, board and other fees cannot be prepaid and will be invoiced according to the normal semester billing cycle(s).

c) Act 529 Plans – The College participates in the Private College 529 Plan and accepts payments from any nationally-recognized tuition prepayment plan.
