Health Form Status

The Wellness Center staff is reviewing all **health forms** received to date. If you have not yet completed the health forms, including the health history form submitted through the online portal as well as the health-care provider form filled out by a medical professional, please do so immediately. Students will receive confirmation that their records are complete via their Dickinson e-mail address once their records have been verified. **Students who have not completed all health form requirements will not be able to move into their residence hall and will be directed to Wellness Center staff on move-in day for further instructions.** Contact the Wellness Center at 717-245-1663 or health@dickinson.edu with questions.

Schedule Adjustment Period

Socialize, #dson2018

A variety of college social-media accounts will be posting throughout move-in and Orientation, so we encourage you to **follow along**, as well as join the conversation by including #dson2018 in your posts.

An Alumni Moment

“At Dickinson, I was able to work in leadership roles in clubs and campus jobs that gave me skills in listening, collaborating and leading a team. I also walked away with the ability to think critically, analyze situations and ask the right questions to move forward.”

—Bernadette Brandt '13,
AmeriCorps Blue Engine
Teaching Assistant

The Schedule Adjustment Period will open August 13 at 8 a.m. (EDT). Please be sure to check your academic schedule on August 13 to see what courses you are enrolled in for the fall term. If you do not have a full schedule of four courses, you should look for open seats in appropriate courses using Banner Self-Service. You will be able to make immediate changes to your schedule through Banner, but please remember that these changes occur in real time. If you drop a course, you shouldn't assume that you will be able to add it again later, particularly if the course is at or near capacity. If you need assistance, you can reach Summer Advising at 717-245-1997 on August 13, 14 or 15 between 9 a.m. and 4 p.m. We also recommend reviewing this [helpful video](#).

What to Expect on Move-In Day

The campus will be a hive of activity on the two major move-in days, and we want to ensure you don't miss a thing. Utilize our [driving directions](#), follow the signage and proceed right to your residence hall. Take advantage of the students who are on hand to help you check in, move your belongings, offer advice and directions and [properly dispose of your trash and recyclables](#). And be sure to head to the [All-College Information Tents](#) on Britton Plaza to

meet representatives from departments around campus and pick up some free information and giveaways!
