The First Health® Network is the nation's largest directly contracted national provider network, with physicians in all 50 states, Washington, D.C., and Puerto Rico.

To find a First Health provider, just go to [www.firsthealth.com](http://www.firsthealth.com) and follow these instructions:

- Type “CVM” into the login box and click *Go!*
- Select *Electronic Directory – Medical*.
- Search by zip code, city, county, address, or provider name.
- Select a provider type – hospital, facility, or physician/clinic.
- Complete the remaining information and click *Search*.

The First Health provider search includes detailed information on each facility, including physicians with admitting privileges, services provided, and even a map or directions to the facility.
