Busy Bee Winter Songs:

I Built a Snowman

I built a little snowman (make large circle with arms)
He had a carrot nose (point to nose)
Along came a bunny (hold up two bent fingers)
And what do you suppose (shrug)
That hungry little bunny (hold up two bent fingers)
Looking for his lunch (hop around bent fingers)
Ate the snowman's nose nibble, nibble, and crunch (pretend to eat carrot)

I'm A Little Snowman

I'm a little snowman short and fat
Here is my scarf and here is my hat
When the snow is falling come and play
Build a snowman everyday

I'm A Little Snowflake

I'm a little snowflake look at me
No other snowflake is just like me
I am as unique as you can see
And just as special as I can be

Little Snowflakes

Little snowflakes, little snowflakes
Twirling round, twirling round
Falling very softly, falling very softly
To the ground, to the ground

Snowflakes Everywhere

See the snowflakes
Dance around
See the snowflakes
Touch the ground
See the snowflakes
In the air
See the snowflakes
Everywhere
