STRATEGIES FOR ACADEMIC SUCCESS
FREE Workshops
THURSDAYS ~ 12:15–1:00 ~ Biddle House Advising Lounge

Effective Time Management

Ever found yourself racing the clock to finish a paper, cramming for an exam, or just running out of time for what you want to do?

Academic success depends on how well you manage your time.

Come to this hands-on strategy session and learn how to plan your day, your week, and your semester, along with ways to combat procrastination, boost your focus, be prepared, and stay on track towards achieving your goals.

12:15 on these Thursdays:
- January 26
- February 9
- March 23
- April 6

Student Success Strategies

Interested in learning how best to grasp and retain what you read and what you’re taught in class?

Retaining knowledge depends on how you engage with new information.

From how you take notes and approach your assigned reading to when you start studying for exams, being good at remembering comes down to when and how you mentally store information. Learn techniques to help your brain retain and study smarter!

12:15 on these Thursdays:
- February 2
- February 16
- March 30
- April 13

Test-Prep and Test-Taking

Ready to ace your exams? (Would you like to be?)

If test-taking is not your strength, turn it into one!

In this fun and interactive workshop, you’ll learn how to make great study guides, and strategies for budgeting time, tackling multiple-choice and essay questions, avoiding test pitfalls, and what to do if you freeze or draw a blank (and how best to prevent this).

12:15 on these Thursdays:
- February 23
- April 20

Academic Success Workshops are presented by the staff of Academic Advising & Learning Skills
