Section IV. Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

Section V. Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- integrate technology effectively into curricula and instruction
Yes
- use technology effectively to collect data to improve teaching and learning
Yes
- use technology effectively to manage data to improve teaching and learning
Yes
- use technology effectively to analyze data to improve teaching and learning
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

All coursework above 100 level requires student use of technology in developing instructional materials and assessments. In our Educational Psychology course, we introduce the use of technology in collecting, managing, and analyzing data to improve teaching and learning through both text-based and Internet-based examples. Many of our student teachers learn to use the programs adopted by their host schools for collecting, managing, and analyzing data to improve teaching and learning.

Section VI. Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare **general education** teachers to:

- teach students with disabilities effectively
Yes
- participate as a member of individualized education program teams
Yes

- teach students who are limited English proficient effectively
Yes

Provide a description of the evidence your program uses to show that it prepares **general education** teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Our program includes standards specified by the PA Dept. of Education related to teaching English Language Learners and students with special needs. These standards are integrated into all general education coursework. We also have one stand-alone course in teaching ELL's and one in working with special needs students.

Does your program prepare **special education** teachers to:

- teach students with disabilities effectively
NA
- participate as a member of individualized education program teams
NA
- teach students who are limited English proficient effectively
NA

Provide a description of the evidence your program uses to show that it prepares **special education** teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Section VII. Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.
