

HONEY BEES WEEKLY LESSON PLAN

Theme: SUN SAFETY

Date: 5/23/16-5/27/16 

OBJECTIVES AND GOALS

BIG IDEA: Children need to be able to make healthy choices physically and nutritionally. Children’s ability to learn is dependent on healthy habits including good nutrition, physical activity and safe practices. Teachers need to model, demonstrate, instruct, and provide opportunities on ways to make good decisions about their health, wellness, and physical development. (10.1-3.3 SAFE PRACTICES)

ESSENTIAL QUESTION: Can I begin to locate body parts? Can I practice health and safety routines? Can I make food choices?

PARENT INFO:

- Provide sunscreen (...most of you have! Thank you! It is optional, but encouraged), hats, and sunglasses (optional).
- Continue to use potties at home!
- **DOUBLE CHECK SNACK POLICIES** for special birthday snacks! If you have a question about a snack, see Ms. Barb or Ms. Sarah!
