

Hello Class of 2018,

I am Bailey Hans, a Junior English and Philosophy major, and am running to be one of your class senators. I was born and raised in Savannah, Georgia and moved to Cape Cod, Massachusetts when I was 14. I barrel race my horse in rodeos in New England and brought my horse, Refuge, to school with me.

I have taken a break from student council since graduating high school, but am ready to delve back into representing my fellow student body. As one of your senators, I would thoroughly and diligently work to ensure that senate is acting on policy pertinent to the student experience and representing the student perspective. I plan on working closely with our class president to organize more events and embolden our class and school spirit. Please vote for me on Monday September 12th, 2016~ Have a great year!

Bailey H. Hans
