

Dear Class of 2018,

My name is Ruth Strauss and I am running for the position of Senior Class President. I am a Physics Major with minors in Mathematics and German. For the past three years, I have been an involved member of the Dickinson College community and have held a variety of different leadership positions across campus. As a rising senior, I am hoping to try something new and become more involved with Student Senate by serving as the Senior Class President.

I feel that this position suits me well due to the great amount of leadership and event planning experience I have had through my involvement with MOB, which is responsible for planning weekend events at Dickinson. I have served on the executive board for the past four semesters, and am currently serving as Vice-Chair. My involvement in this organization has taught me the importance of planning events in a timely and organized fashion and how to effectively manage a budget. As your Senior Class President, I would put these skills to good use while planning senior class events and senior week. I am very organized and collaborate well with others, so I am confident in my ability to work with other members of the class council to schedule new and exciting class events.

I hope to continue building rapport with the members of our class during our senior year and I will work my hardest to keep your interests in mind. Please feel free to reach out to me with any questions or suggestions. I look forward to the opportunity of representing the Class of 2018!

Thank you,

A handwritten signature in cursive script that reads "Ruth Strauss".
