

# Dickinson's Disaster Relief for Texas

The Center for Service, Spirituality, and Social Justice is collecting supplies to be sent to Southeast Texas (which includes the city of Dickinson, TX) through the United Methodist Committee on Relief, an international organization that provides direct relief for victims of disaster.

The list of supplies we are collecting for cleaning kits is below. The total value for each kit is approximately \$65. **If you would rather make a monetary donation, please use our fundraising link here: [www.dickinson.edu/gift](http://www.dickinson.edu/gift).** Please click "other" and specify **hurricane relief** on the form. Funds raised through this link will be used to purchase supplies for cleaning kits, or as a direct donation to UMCR to continue to provide relief specifically for victims of Hurricane Harvey.

Supplies can be brought to Landis House or put on the Hurricane Harvey table in the bottom of the HUB.
