

Hello Class of 2020,

My name is Caroline O'Leary, and I am running for the position of class senator! Throughout high school and college I had opportunities to take part in several leadership positions that I believe would make me a worthy candidate for this position. I am from Montclair, New Jersey and at my local high School I participated in both Key Club and National Honor society which were both organizations that indicate dedication to my community and passion for the service of others. Similarly, on campus I am involved in the First Year Mentorship Program, Liberty Cap Society, and Dickinson Christian Fellowship. All of these activities are illustrative of my efforts to give back to the Dickinson community and have given me the opportunity to express my love of this college! One thing I would work towards ensuring would be that the class of 2020 would have a unified mission of giving back to the Dickinson and greater Carlisle community. If I had the privilege to be one of your class senators, I would focus my efforts on fully representing our class and their needs. Additionally, I believe that our class could benefit from either philanthropy or social events in which students of the Class of 2020 can create closer bonds. I would love and appreciate your vote !
