\*tentative dates

\*\*\*Please be open to be an administrator on more than one trip. Flexibility is a key component of a good administrator/mentor!

\*\*Please note: Hourly employees are welcome to apply but need to be cleared by their supervisor and may be required to take vacation time to be a part of the service trip. (please refer to the Service Trip Mentor/Administrator Guidebook or contact Human Resources for more information).

---

What types of service or service trips have you participated in previously?

Why do you want to participate in a service trip with Dickinson students? If you have participated before, why do you want to go again?

Why are you interested in each trip you marked?

What do you hope to contribute to the trip as a mentor/administrator?

How do you see this opportunity as contributing to your professional life at Dickinson?

- Yes, my supervisor is okay with me serving as a trip mentor on a service trip this year.
- I still have to talk to my supervisor about this, but I anticipate this would be approved.
- Yes, I have read the Mentor Guidebook, this is necessary to be approved as an administrator on a service trip.

Since this involves working closely with students and living in a situation with a group for an extended period, having the right trip mentors on each trip is essential. Please list two current students who may be contacted as a reference.
