

Bunny Room Week of: 1/15/18-1/19/18

Study: Balls

Focus Question: Do all balls bounce? Do all balls roll?

	Theme: How do balls move?				
	Monday	Tuesday	Wednesday	Thursday	Friday
Poem/Rhyme/Song	Counting Calisthenics (MM28)	Bounce, Bounce, Bounce (MM30)	Thumbs Up (MM33)	The Imaginary Ball (MM41)	Little Ball (MM37)
Large Group F.10, SE.1.1, SE.2.2	Make a list of all the types of balls we can think of	Experiment: Which ball will bounce the highest? Record their predictions and results	Which ball is bigger? Measure the circumference. Record the results	Do all balls roll? Experiment: Test to see which balls roll. Record results	Let's see how many spheres and circles we can find in our classroom
Read Aloud F.1, SM.1.1, SM.1.3, G2.2.1	That Big Guy Took My Ball	Play Ball	The doorbell rang	Bounce	Play Ball
Journal/Writing time	Five Fingers Play (R pg186)	Pre-Stroke for Letter S (R pg140)	Letter S (R pg141)	Pre-Stroke for Letter J (R pg142)	Letter J (R pg143)
Kindergarten Readiness Centers (KRC) CAP 3.1.1, F.10, W 6.4.1, W.6.4.3.1 FA 1.1	Let's Decide, Narrow or Wide? (M pg135)	Cover and See (M pg141)	Guess What? (M pg87)	Snap a Shape (M pg103)	Experiment: Which balls float? Record predictions and results
	Letters, Letters, Letters (LL07 ITC)	Letter and Picture Match	Marble painting	Sound Around Box for letters S and J	
	Balls and Ramps	Marble Track	Water beads in the water table	Water beads in the water table	
	Book Center	Draw a sport that uses a ball	Use the scale to see which balls are the heaviest	Wet dry try	
Outdoor Experience	Weather permitting, we will take some of our balls outside, if we cannot take them outside we will take them down to the big room.				
Family Partnership	Talk to your children about your favorite type of ball and what it is used for and how it moves. Continue to bring in your favorite balls from home.				
Wow! Experience	Hands on experiments and activities
