The following are fellow students with exceptionalities who are interested in connecting with other exceptional students with accommodations to provide feedback, recommendations, and 1st-hand experiences, or just to connect. They invite you to email them and ask any questions you may have, or maybe just arrange a time to get a bite to eat together... Interested students with exceptionalities should email [disabilityservices@dickinson.edu](mailto:disabilityservices@dickinson.edu) if you would like a copy complete with student names and contact information.
