

# Blue Bee Lesson Plans

MONTH: March

Theme: We Love Books

**Family participation:** Please allow your child to bring books from home that they love to share with their peer. We will use the books to read for our naptime story.

**OBJECTIVES/GOALS** During the month of March, the Blue Bees will be focusing on books. Most days the book that we read at gathering time will be the center of our special activity that day. The special activity may be an art project, a game, a skill that we will practice or just a fun book that we want to read. We will talk about how to handle books to keep them looking new and clean and talk about the author and illustrator of a book and what their job is when making a book.

## **Math & Science (small groups)**

- \*Compare numbers 2.1.PK.A.3
