

Blue Bee Lesson Plans

MONTH: April

Theme: Spring has Sprung

Family participation: Please bring 4 hardboiled eggs by Wednesday April 4th. Parent teacher conferences will be on Friday April 13th, please be sure to sign up. We will discuss your child's progress and their classroom for next year and any changes you need to know about.

OBJECTIVES/GOALS: During the month of April, the Blue Bees will be talking about Animals that hatch from eggs and while we are learning about animals that hatch from eggs, we will view the Falcon cam in Harrisburg, on the computer, to see if the birds have laid any eggs and if so, to watch for babies. We will also talk about fruits and vegetables. We will learn about the parts of a plant and also plant seeds to care for and watch grow. We also plan on having a week to celebrate children.

Approaches to Learning Through Play

Attempt problem solving activities to achieve a positive outcome AL.4.PK.C

Recognize and extend simple patterns AL.2.PK.D

Work toward completing a task, even if challenging, and despite interruptions AL.2.PK.A
