

MedStaffers is looking to hire direct care workers in Central Pennsylvania, specifically in the Carlisle, Camp Hill, Mechanicsburg, and Boiling Springs areas. Direct care staff work one on one in the homes of participants with intellectual disabilities and Autism.

General duties include: teaching independent living skills, companionship, and assisting with daily activities of living such as assisting with meal preparation, personal care, etc. Occasionally, an aide may be asked to take the individual out into the community.

Benefits of working with MedStaffers: Ideal for students looking for experience working with individuals with disabilities. We are able to schedule shifts around your school schedule and looking for people interested in working part-time.

Requirements include: Reliable transportation and to complete paid online training before working their first shift. CPR is also required for the program.

Pay rates are between 12-15 dollars an hour depending on the service each participant needs.

If interested in working with us, please contact Kim Bream at kbream@medstaffers.net or Maria Davis at maria@medstaffers.net.
