

## Em Wolf – Letter of Intent

Hello Dickinson student body, my name is Emma (Em) Wolf. You may know me as the 2021 Class President, and I hope soon for you to know me at your APSC senator.

This past year serving on Student Senate I have gotten the opportunity to take part in ESLC (Enrollment and Student Life Committee), to sit in on faculty meetings, and to work closely on CLIC (Campus Life Initiative Committee). In turn, I have founded that I have a want and desire to dedicate myself to the inner workings of Dickinson by tackling policy and academic changes.

Serving a President, I have acquired the skills of organization and leadership allowing me to handle the duties of APSC, which include discussing issues ranging from the curriculum and general academic requirements to standards and evaluations of the department. Being an active part of Senate I have be able to find a comfortable space to voice my opinion and stand for what I believe in and what I hope we can all believe in together.

I strongly believe that I could be an asset to making permanent change along the side of my other APSC senator, and I promise to give it my all.

Thank you all for your time and consideration, and vote Em Wolf for APSC senator!
