

READMISSION APPLICATION

Readmission Deadlines:

Fall semester – May 15
Spring semester – November 15

All applicants for Readmission must answer the following: (You may use the other side of this form and/or a separate sheet of paper.)

1. Please explain why you wish to return to Dickinson.
2. If you are re-admitted, what are your plans for completing the degree at Dickinson?

If withdrawal was required or you were not in good academic standing at the time of withdrawal:

On a separate sheet of paper please (in 500 words or less) address the following questions, in addition to the two questions above:

1. Tell us what went wrong. Why did you earn the grades you received in your most recent term at Dickinson? (NOTE: You do not need to annotate every assignment, but if you see patterns, you should articulate them):
2. Based on your response to #1, what changes do you need to make should you be permitted to return? Be specific.
3. **Optional:** Give examples of some other situation where you encountered difficulty (academic or otherwise) and applied these or similar strategies and achieved a positive response. How might this apply to your plan for success at Dickinson?

Non-US Citizens: International students should inform the College of any issues related to visa status that might affect the student's ability to arrive on time for the start of classes. If the student requires an F-1 visa sponsored by Dickinson, additional time must be afforded for the College to process the necessary documentation and for the student to apply for the visa at the appropriate US Embassy or Consulate.

If the student is seeking re-admission following a required withdrawal from the College, he/she may not be able to secure re-entry into the US. These cases should be addressed on a case-by-case basis with the Office of Global Education.
