

PHOTO CONTEST GUIDELINES

Deadline: October 5, 2009.

Please drop entries off to Malinda Mochizuki (Stern 014) in the Office of Global Education.

Categories:

Photo submissions should fit within one of the following categories:

- Culture/Local Life and People
- Landscape
- Architecture
- Dickinsonians Engaging the Host Culture/Region (Please note that this should be constructive engagement, not necessarily at touristy landmarks, out drinking, etc. This type of photo could potentially be posted in the HUB or used in Dickinson publications.)

Entry Rules & Guidelines:

1. **For Study Abroad students:** All entries must be original photographs taken by the entrant while on a Study Abroad program. You may submit photos taken outside your study abroad location, such as photos you took while traveling during your program.

For International Students: All entries must be original photographs taken by the entrant while studying in the United States. Please note that photos do not have to be specifically of the Carlisle area, but can be of any place in the U.S.

Also, if you studied abroad while at Dickinson, you may submit entries for that as well.

Please see guidelines below.

2. Students may submit up to 3 pictures for each program you participated in. The photos can belong to any of the categories. You may submit more photos if you have participated in multiple programs.
3. **Only printed photos will be accepted. PLEASE NOTE:** After the photo contest, pictures will be compiled to create a slideshow to be displayed in our office and the Global Education website. If you have electronic versions of your submissions, please send them as well to (reentry@dickinson.edu). This will be easier than having to scan all submitted pictures.
4. All entries must be no bigger than 4"x6" in size.
5. All entries must be accompanied by the Photo Contest entry form. Please also put your name on the back of your photos and the corresponding description number from the entry form.
6. Entries will be judged by a panel of college administrators/faculty as well as students. Judges will be looking for creativity, expression, composition and the overall appearance. Prizes will be awarded.
7. All work will be displayed and winners will be announced at the Photo Contest Event in December in the Social Hall. The exact time of the display and awards reception will be announced later in the semester.

If you have any questions, please e-mail reentry@dickinson.edu.
