

Office of Campus Life
Roommate Preference & Agreement Card

Please list the roommate(s) you would like to live with for the upcoming academic year. Submission of this form allows Campus Life to assist you in reconfiguring roommate groups if all members of your group **aren't available at selection time**. The Office of Campus Life will review each roommate grouping to determine if rooms of that capacity are still available during the selection process. If no available rooms of the capacity of your options, we will notify your group to reconfigure.

My Roommate Preferences:

	Option "A"	Option "B"	Option "C"
#1			
#2			
#3			
#4			
#5			
#6			
#7			

Disclaimer: Students wanting to go through room selection in mixed-gender or mixed-classyear roommate groups must specify on this form before the first lottery time selects. Accommodation of such assignments is subject to availability of appropriate spaces.

By signing this form, I am accepting responsibility on behalf of my roommate groupings to act as the point person for Campus Life staff. The options on this card (A-B-C) have been agreed upon and shared with all students involved/listed. I am accepting responsibility on behalf of my group to generate additional options if necessary and communicate these options to Campus Life staff.
