The Intergroup Studies Laboratory at Davidson College invites applications for a one-year, full-time, Lab Coordinator position in the Department of Psychology. The successful applicant will join an NSF-funded laboratory examining the impact of classroom diversity management practices on the experience of women and underrepresented students in science, technology, engineering, and math courses. Candidates must have a bachelor’s degree in psychology, with laboratory experience. The person accepting this position will assist in all aspects of research being conducted in the Intergroup Studies Laboratory, and will supervise and train students working in the laboratory.

To find out more about the lab, visit: jessicajgood.com/available-positions

To apply for the position, follow this link: employment.davidson.edu/cw/en-us/job/493016/

Review of applicants begins May 6th, 2019. Please forward to anyone who may be interested!

Thanks,
Jess
