Here's your weekly list of three things to do to prepare for Dickinson.

1. **Complete your Wellness Center health forms**
   The deadline to submit the required health forms to the Wellness Center is July 1, 2019. All required forms are completed through the Patient Portal. You must complete the online medical history form, complete the online TB Risk Assessment form, enter your immunization information and submit a copy of your healthcare provider's immunization record or the immunization record form signed by your healthcare provider. Detailed instructions on how to complete the health forms are available on the [Wellness Center webpage](#). If you have questions about these requirements or need additional assistance, contact the Wellness Center at [health@dickinson.edu](mailto:health@dickinson.edu) or 717-245-1663.

2. ...
Submit your Disability Accommodations Request
Do you have an IEP, a 504 or eligibility for accommodations? Know your options! Even if you're not sure about using accommodations at Dickinson, email Access & Disability Services at access@dickinson.edu or go to the ADS website to confidentially learn more. You'll be glad you did!

Get Ready for Adventure
Review the list of 2019 Pre-Orientation Adventure Programs! Registration is first-come, first-served and will open May 15.

Start your Dickinson experience off strong with these three important to-do items, and watch for three more next week! Reach out to slce@dickinson.edu anytime if you have questions, or post them to the Class of 2023 Facebook page.

Respectfully,

Josh Eisenberg
Associate Dean of Student Leadership and New Student Programs
