Veterans Benefits Chapter 31, Chapter 33, Post 9/11 GI Bill

Policy/Procedure

As part of the amended United State Code; Veterans Benefits and Transition Act of 2018, section 3679 of title 38, Dickinson College ensures that any Covered Individual eligible to receive educational assistance through VA educational benefits under chapter 31, Vocational Rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill benefits, will not be imposed any penalty, including the assessment of late fees, the access to course registration or attendance of classes, or that the individual be required to borrow additional funds on a covered individual due to the individual’s inability to pay the balance prior to the scheduled disbursement of fund from the VA directly to the institution.

Dickinson College will require additional payment on the covered individual for any amount that is the difference between the amount of the student’s financial obligation and the amount of VA education benefit that is scheduled to disburse directly to the institution. Dickinson College may impose a late fee or place a financial hold for these additional payments not covered by their VA benefit, if not paid by the bill due date.

A Covered Individual is any individual who is entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill benefits.
