

Application for consideration for Honors
in the Environmental Studies Department

The distinction of Honors in Environmental Science and Environmental Studies is awarded by the Department to graduating seniors who have met the requisite academic standards.

By completing this form, you are notifying the Department of the status of your independent research and formally declaring your interest in being evaluated for honors.

Detailed guidelines for department honors are available on the [department website](#).

Student Name: _____

Independent Research Project Title: _____

Research Advisor: (Print) _____ (Sign) _____

Department Liaison: (Print) _____ (Sign) _____

(only required if research advisor is outside the ENST Department):

Committee Member Signatures: _____ ENST Department? (at least two)
(Print) _____ (Sign) _____ Yes No

(Print) _____ (Sign) _____ Yes No

(Print) _____ (Sign) _____ Yes No

Professional Conference that you plan to attend: _____

Date that the abstract and/or registration is due to attend this conference: _____

Please acknowledge that you have met or plan to meet the following requirements:

- I will be presenting at the Earth Issues seminar during the fall and spring semesters
