Valuable Notes for Dickinson Student Groups & Clubs

Provided by the Office of Student Leadership & Campus Engagement

DPS-Certified Drivers

DPS-certified drivers should create a profile in Fleet Commander via the Dickinson Gateway (Fleet button). Instructions are available on the Fleet Commander login screen. Login via the Dickinson Gateway.

Inclusive Leadership Student Training

Both the president and treasurer of any Senate-recognized club must fulfill the requirements for the club to be granted a budget for next year. To make sure your officers are getting the information required to complete the program, make sure your club's roster is updated.

Club Training

If you have not yet completed Club Training, presidents and treasurers must do so before Monday, October 7th. Club Training is how you will learn to plan events, access your club email accounts, and so much more! Clubs that have presidents or treasurers who are untrained will be locked on EngageD, preventing the club from having events or accessing funding. Club Training can be completed on Totara through the Dickinson Gateway.

Student Group Manual

The updated and redesigned manual has information on campus resources, policies, and procedures relevant to student groups and clubs. Find it on SLCE's EngageD or website.

Sophomore/Junior Leadership Retreat

The registration deadline for the Sophomore/Junior Leadership Retreat is coming up on Monday, October 7th. Click the link for more information and the registration form. This program counts towards two workshops for the Club Executive Program.

Posters on Campus

Please be mindful of the Campus Publicity Policy. Posters must be sponsored by a campus group, have an end date (or event/registration date), an email address, and must be posted on a bulletin board (except for the HUB spiral staircase, where it can be taped to the metal).
