

Refund Policy for Emergency Cancellation

Policy/Procedure

Dickinson College Semester/Academic Year Programs

Administered by the Center for Global Study and Engagement

All decisions concerning the cancellation (or required modification) of a College program will be made by the Center for Global Study and Engagement in consultation with responsible authorities on campus and overseas. These decisions will be based on, but not limited to, State Department warnings. In the unlikely event of an emergency program cancellation, every effort will be made to accommodate the academic needs of program participants by offering an alternative to enable students to complete their course work. For example, one possible alternative for Semester/Academic Year programs would be to offer suitable coursework on-campus during the summer.

Students whose program is cancelled prior to the begin date will receive a full refund of the Program Fee, including the confirmation payment.

If a program is cancelled after it starts and an alternative for credit completion is offered, no refund will be given.

If a program is cancelled after it starts and an alternative credit completion is NOT offered, the student will receive a full refund including the confirmation payment.
