

Working on Campus

Vaccinated

Masks are currently required for all Dickinson faculty, staff and students

COVID testing is not required for vaccinated individuals*

*Vaccinated faculty and staff in positions which have ongoing close contact with others may schedule a test by emailing hrrservices@dickinson.edu.

Unvaccinated

Obtain a COVID test from Human Resource Services

Wear a mask indoors and outdoors, participate in regular COVID testing

Positive Test / VACCINATED

SYMPTOMATIC Isolate
10 days after symptoms first appear and at least 24 hours with no fever

ASYMPTOMATIC Isolate
10 days after testing positive

CLOSE CONTACT
Wear a mask at all times (inside and outside), get tested 3-5 days after known exposure

Positive Test / UNVACCINATED**

SYMPTOMATIC Isolate
10 days after symptoms first appear and at least 24 hours with no fever

ASYMPTOMATIC Isolate
10 days after testing positive

CLOSE CONTACT Quarantine
Stay quarantined 10 days after your last contact or after day 7 of receiving a negative test result

Note: Fully vaccinated people:

- have a reduced risk of transmitting SARS-CoV-2 to unvaccinated people
- should still get tested if experiencing COVID-19 symptoms
- should continue to follow any applicable federal, state, local, tribal or territorial laws, rules and regulations.

**Unvaccinated definition:

- due to medical or religious exemption, or
- due to recently receiving vaccine; you are not fully vaccinated until 2 weeks after the second dose of a 2-dose vaccine or 2 weeks after a single-dose vaccine.

Unsure who is a close contact?

CLOSE CONTACTS

consist of individuals within 6 feet for 15 cumulative minutes or more in a 24-hour period occurring within or after the 48 hours prior to symptom onset, regardless of whether face coverings were being worn. This excludes those infected in the past 90 days.

Examples, if you:

- provided care to COVID+ person
- had direct physical contact with COVID+ person
- shared eating or drinking utensils with COVID+ person
