

**JOB DESCRIPTION AND POSITION REQUIREMENTS:
Penn State CAPS – Sexual and Gender Diverse Focused Psychologist Position**

The Pennsylvania State University, Center for Counseling and Psychological Services (CAPS), University Park, PA has a Psychologist position (Level 3 or Level 4) available beginning August 8, 2022.

Penn State and CAPS are committed to advancing the principles of diversity, equity, and inclusion by fostering a professional culture of self-reflective inclusive excellence that supports both broad and specific diversity initiatives, leverages the educational and institutional benefits of diversity, and engages all individuals to help them thrive. CAPS is committed to the development of a safe and inclusive community that fosters academic, social, cultural, and personal growth.

Duties include providing individual and group psychotherapy, initial consultations and triage, outreach and consultation, clinical supervision to trainees, and crisis intervention. Expertise in collaborative care for transgender and gender diverse clients, consulting with campus partners regarding services for sexual and gender diverse clients, as well as experience training staff related to clinical considerations in working with clients identifying as sexual and/or gender diverse are required. The successful candidate will have substantial experience and expertise in sexual and gender diverse focused services, experience training other professionals, and proven effectiveness collaborating with campus/community partners/stakeholders regarding the mental health needs of students who identify as sexual and/or gender diverse. Recognizing the unique needs of sexual and/or gender diverse communities, it is preferred that candidates have a strong commitment to social justice and can navigate multiple layers of identity, including, but not limited to, race, ethnicity, nationality, class, disability, religion, sexuality, and gender.

All clinicians on our staff perform their duties while adhering to and promoting trauma-informed care and healing-centered approaches and principles, in alignment with the establishment of the Commonwealth of PA as a trauma-informed, healing centered state.

This position will be filled at a level 3 or level 4, depending upon the successful candidate's competencies, education, and experience. Typically requires a Ph.D. or Psy.D. in Clinical or Counseling Psychology plus 1 year of related experience, or an equivalent combination of education and experience for a level 3. Additional experience and/or education and competencies are required for higher level jobs. A one-year, full-time doctoral internship in Professional Psychology or Health Service Psychology is required. APA accredited training/internship and counseling center experience preferred. Licensed eligible as a Psychologist in the Commonwealth of Pennsylvania is required. Current licensure as a Psychologist is preferred.

This position requires the following clearances: PA State Police Criminal Background Check, PA Child Abuse History Clearance Form, and Federal (FBI) Fingerprint Criminal Background Check.

The Pennsylvania State University is committed to and accountable for advancing diversity, equity, inclusion, and sustainability in all of its forms. We embrace individual uniqueness, foster

a culture of inclusion that supports both broad and specific diversity initiatives, leverage the educational and institutional benefits of diversity in society and nature, and engage all individuals to help them thrive. We value inclusion as a core strength and an essential element of our public service mission.
