COVID-19 symptoms include any or all of the following that are not caused by another condition:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If you notice any of the following symptoms, please call 911: difficulty breathing, blue lips or face, confusion, difficulty awakening or staying awake, persistent chest pain or pressure.

Vaccinated or Unvaccinated* Students Who Are Symptomatic or Identified as a Close Contact

*Individuals who have an approved medical or religious exemption or received COVID-19 vaccinations(s)

Symptomatic

Complete the Symptoms Tracker

Close Contact

Contact the Wellness Center 717-245-1663

COVID-19 TEST Positive

COVID-19 TEST Negative

- You will be moved to an isolation space or asked to return home (if you live within 200 miles of campus)
- You will be contacted by a case manager to identify any close contacts

Vaccinated: Test 5 days after contact

- If you become symptomatic, please update contact tracing staff

Unvaccinated: Quarantine

- 10-day quarantine starting first day after contact
- Able to return to campus and class if tested negative on or after day 5 of quarantine

Unvaccinated Guide

You are considered unvaccinated if you have not received a booster after eligibility of vaccination series:
- Pfizer-BioNTech—5 months
- Moderna—5 months
- Johnson & Johnson’s Janssen—2 months

Students with approved exemptions are also considered unvaccinated.

Limit contact with others and wear a well-fitting mask indoors and outdoors when around others.
