COVID-19 symptoms include any or all of the following that are not caused by another condition:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If you notice any of the following symptoms, please call 911: difficulty breathing, blue lips or face, confusion, difficulty awakening or staying awake, persistent chest pain or pressure.

Vaccinated or Unvaccinated* Employees Who Are Symptomatic or Identified as a Close Contact

*Individuals who have an approved medical or religious exemption or received COVID-19 vaccinations(s)

Symptomatic

Complete the Symptoms Tracker

Close Contact

DO NOT ENTER Testing Center

Contact HR for a test

COVID-19 TEST

Positive

• Isolate at home (10 days)
• Human Resource Services will follow-up with you and initiate contact tracing

COVID-19 TEST

Negative

• Remain at home until symptoms improve
• Fever free for 24 hours without medication

Vaccinated:
Test 5 days after contact

• If you become symptomatic, please update contact tracing staff
• Able to return to work, if tested negative on or after day 5 of quarantine

Unvaccinated:
Quarantine

• 10-day quarantine starting first day after contact

Unvaccinated Guide

You are considered unvaccinated if you have not received a booster after eligibility of vaccination series:
• Pfizer-BioNTech—5 months
• Moderna—5 months
• Johnson & Johnson’s Janssen—2 months

Employees with approved exemptions are also considered unvaccinated.

Question: Please contact Human Resource Services at (717) 245-1503

Limit contact with others and wear a well-fitting mask indoors and outdoors when around others.
