Jessica Baverman Ozar '09 (history, women's & gender studies) lived in Israel and worked in nonprofits before switching careers to be a full-time parent a few years ago. Now living in Charlotte, N.C., with her partner and kids, she picked up crossword construction as a creative outlet during the pandemic. This is her second puzzle crafted exclusively for *Dickinson Magazine* readers!

Puzzle it out! Submit a photo/scan of your correctly completed crossword to dsonmag@dickinson.edu by **June 30** to be entered to win a \$25 gift card for the Dickinson College Bookstore. The completed puzzle will be printed in the summer issue, along with the name of the winner.

Find the mystery word! Once you finish, the circled letters will spell out the place that all of us have in common!
