2023-2024 Verification Worksheet Independent Student

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected by the Department of Education for review in a process called Verification. Federal law requires the Office of Financial Aid to confirm the information you reported on your FAFSA before awarding federal student aid. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and any other required documents. We may ask for additional information. If there are differences, your FAFSA may need to be corrected.

You must complete and sign this worksheet, attach any required documents, and submit the materials to the Office of Financial Aid. If you have questions about Verification, contact our office as soon as possible so your financial aid will not be delayed.

Please be sure to complete every field on this form; use 'N/A' or enter a '0' as necessary.
