

Chemistry Department 2019 Newsletter

2019 Chemistry Awards

Royal Society of Chemistry

Kendra Bonsey '19

Freshman Chemistry Award

Arianna Patterson '22

Erin Heeschen '22

Outstanding Organic Chemistry Student

Lizzie Trost '21

Jordan Cox '21

ACS Undergraduate/Physical

Taylor Bednar '19

ACS Undergraduate/Analytical

Kelly Lambertson '21

ACS Undergraduate/Inorganic

Eryn Nelson '19

Curved Arrow Award

Lizzie Trost '21

Jordan Cox '21

John E. Benson Handbook Award

Kevina Birungi '19

Kellyn Madden '19

Molly Sternick '20

ACS Outstanding Chemistry Student

Eryn Nelson '19

Outstanding Senior Award for Chemistry

Taylor Bednar '19

Outstanding Senior Award for Biochemistry

Amanda Allan '19

Ernest Vuilleumier Scholarship

Shea Player '22

Horace E. Rogers Scholarship

Vu Pham '21

Jordan Cox '21

Lizzie Trost '21

Richard Sheeley Memorial Scholarship

Erin Heeschen '22

Other Scholarly Awards

(cont'd)

The Wellington A. Parlin Science Award in Chemistry

Eric Palermo '20

Fulbright Award

Meredith Johnson '18

Leah Wachsmuth '19

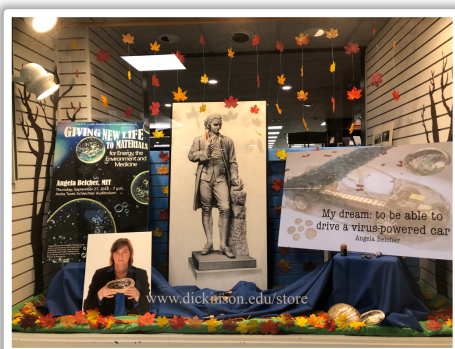

The John Patton Memorial Prize

Mary Katherine Levangie '19

Lizzie Trost '21

The Joseph Middleton and Isabel Mullin Burns Memorial Prize

Jordan Cox '21

Dr. Belcher presented her lecture, "Giving New Life to Materials for Energy, the Environment and Medicine."

Priestley Award

Angela Belcher (center) receives the Joseph Priestley Award for her work on using viruses to design technologically important materials and devices for energy, the environment, and medicine.
