

Dickinson

The Biden Administration announced plans to end the COVID-19 public health emergency (PHE) on May 11, 2023. Dickinson College has made the decision to continue the current COVID-19 PHE coverage through June 30, 2024.

COVID 19 Lab Tests

Meritain Health manages your medical plan. There will be no changes to the current PHE coverage and there are no out-of-pocket costs for the below:

- **COVID-19 Vaccines/Booster** administered by your primary care provider, will remain at a \$0 cost share.
- **COVID-19 Lab Tests** will remain at a \$0 cost share.
- **Office visits, Urgent care, Telemedicine, and ER visits** both in and out-of-network when there's an associated COVID-19 test done within two days before or two days after the visit, will remain at a \$0 cost share.

COVID-19 Vaccines, Tests and Treatments

Optum Rx manages the pharmacy benefit for your plan. There will be no changes to the current PHE coverage and there are no out-of-pocket costs for the below:

- **COVID-19 Vaccines/Booster** will be available at a network pharmacy at a \$0 cost share.
- **Anti-viral Treatments** COVID-19 oral treatments Paxlovid™ (nirmatrelvir/ritonavir) and Lagevrio™ (molnupiravir) will be available at a network pharmacy, at a \$0 cost share.
- **Over the counter (OTC) at home COVID-19 tests** will remain at \$0 cost share for up to 8 tests per covered member per month.

How do I get reimbursed for OTC at-home COVID-19 tests purchased at an online retailer or other stores?

- If you purchased FDA-authorized COVID-19 tests at a retail store or online retailer you can be reimbursed for up to 8 tests per covered member per month. You will need copies of your purchase receipt(s). Complete one form per covered family member.
- To receive the quickest possible reimbursement of up to \$12 per test, submit an electronic claim form at <https://covidtest.optumrx.com/covid-test-reimbursement>.
