

\$0 COPAY Prescription Option

CRX International administers the voluntary \$0 copay international mail-order prescription option. For program information (including searchable medication listing) and to enroll online or to download an enrollment form, visit **crxintl.com** and use **WebID: DICKINSON**.

Program Features

- \$0 copay (*no cost to members*)
- voluntary mail-order program
- enroll at any time
- hundreds of brand-name maintenance medications offered (*no generics*)
- medications must be tried locally before ordering through this program (*no 'new to you' medications*)
- prescriptions are dispensed and shipped from licensed and regulated pharmacies located in Canada, the United Kingdom and Australia
- delivered direct to member's home at no charge
- 4 weeks delivery time
- convenient refill service

Enrollment Process

Step One | CHECK FOR MEDICATION

Check to see if your medication is offered. Full listing can be found on the website or call CRX International at **1-866-488-7874**.

Step Two | ENROLL

Enroll online or complete an enrollment form (separate form required for each member ordering). Submit the printed enrollment form and copy of photo ID via secure upload at **crxdocs.com**, or send by mail or fax.

Step Three | SUBMIT PRESCRIPTION

Request a prescription for a 3-month supply, with 3 refills. Mail **original** prescription to CRX International or have your physician's office fax it **directly** to CRX International at **1-866-215-7874** (prescriptions are ONLY accepted by fax when sent from the physician's office).
